Review Reminder Notice

You have family members receiving at least one of the following benefits:

- Medicaid for the Aged, Blind or Disabled/VPharm/Medicare Savings Program

Their health care coverage is due for review. Please complete, sign and return the enclosed form if you wish to have your coverage continue. Be sure to answer all questions. If you are self-employed, please send a copy of your most recent Federal tax return; we need the entire return -- all forms and schedules. If we need more information, we will let you know. A face-to-face interview is not required.

Please return your completed form by January 1, 2020, so that we will have enough time to process your review. This is the ONLY reminder you will receive. If you don't return your completed form, your health care coverage will end as of January 31, 2020. If you have questions about this notice, please call the number listed above.

Premium Reminder

Please remember that if you received a premium bill for this health care coverage, to continue your coverage you must pay the premium in addition to completing this review. If you have questions, call Green Mountain Care Member Services at 1-800-250-8427.
